<ol style="list-style-type: none"> 1. Simulation-based or didactic team training refresher course 2. Obstetrics Guidelines test 	<ol style="list-style-type: none"> 1. Obstetrics Guidelines test 	<ol style="list-style-type: none"> 1. Obstetrics Guidelines test 2. Simulation-based or didactic team training

Sponsoring Organizations

Institutions that sponsor CRICO coverage for obstetrical care providers participating in the OB Risk Reduction Program must satisfy two requirements
<ol style="list-style-type: none"> 1. Safety Drills Institutions must provide opportunities for obstetrical care providers to participate in Safety Drills annually. Individual clinicians do NOT need to track or report their Safety Drills participation to CRICO/RMF. 2. Chart Reviews (beginning in 2009) Institutions must assist CRICO/RMF in conducting OB Chart Reviews for obstetrical care providers in the third year of the OB Risk Reduction program. Individual clinicians do NOT need to track or report the chart review to CRICO/RMF.
